

# GALAXY E26/E27 LAMP

The GALAXY bulb is a direct replacement of a 40W incandescent lamp. Available in both incandescent warm white and cool white, the GALAXY is an elegant alternative to any standard 40W bulb.

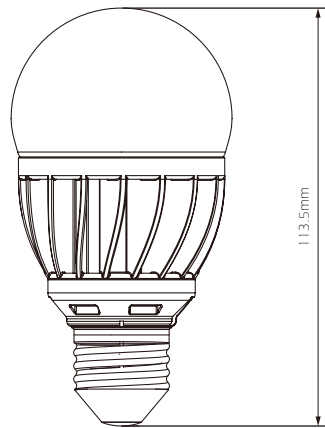

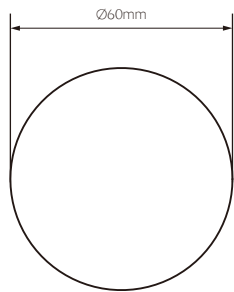

LED LAMPS

Applications:
1. Household indoor lighting
2. Decorative lighting

Features	Benefits
1. High Efficacy	Cost saving in energy consumption
2. Long Life Span	Reduce maintenance costs compared with traditional incandescent bulbs
3. Incandescent Base	Suitable for existing fixtures
